Our Lady of Mt. Carmel
has twenty four (24) electric
candle shelves, each holding
twelve candles. The shelves
surround cathedral-size icons
beautifully centered on the
back walls of the church.
Crafted in solid oak with a
cherrywood stain to
complement the church
interior, these candle shelves
reflect both reverence and
craftsmanship. Each candle is
made of real wax and features
electrified illumination,
ensuring a continuous,
radiant glow day and night.
In addition, a small plaque
commemorating your "special
intention" will be mounted in
front of each candle creating a
lasting and personal tribute
within our sacred space.
